The U.S Green Building Council Los Angeles Chapter (USGBC-LA) Municipal Green Building Conference and Expo (MGBCE) is the longest running annual green building event in Southern California.

The conference attracts a wide variety of building industry disciplines, including municipalities, utilities, public agencies, architects, engineers, building owners, contractors, non-profits, and manufacturers. All of these groups are working together to create connected cities that succeed in the three E's: Economic, Environmental, and Equity solutions.

Register for the **FREE** conference at: usgbc-la.org/mgbce/
